Monroe Farmers Market Seasonal Opening

The Monroe City Council and I join the Department of Community Affairs to invite the media and public to come out and buy some fresh fruit, vegetables and other homemade items from local farmers at the Monroe Farmers Market Summer Seasonal Opening. The event will take place 9:30 am Thursday, June 15, 2017, at the Monroe Farmers Market located in the 1200 Block of Washington Street, Monroe, LA 71201

There is absolutely nothing quite like eating fresh homegrown fruit and vegetables. The thought of it takes many of us back to our younger days, when we weren't able to go to the grocery store and buy everything that we wanted. A time when our family members worked hard in their home gardens to be able to provide for family and neighbors. If you are looking for the perfect fruit and vegetables for your next family meal, then the Monroe Farmers Market is the place to be. All of the vendors at our Farmers Market are local producers from northeast Louisiana. Come out and show your support. And, enjoy that great meal!
