Local Civic Club honors Monroe Garbage Workers

The Monroe City Council and I want to commend the local *Samoan Civic and Social Club* for, once again hosting their annual *Garbage Workers Appreciation Day lunch* Wednesday, June 14, 2017. The event was held at the Louisiana Purchase Gardens & Zoo Pavilion, located at 1405 Bernstein Park Rd, Monroe, LA. The event was a showing of appreciation for City of Monroe garbage workers.

National Garbage Man Day is held annually in June and celebrated in municipalities across the country. Residents are encouraged to do kind gestures to show their appreciation for the work done by the hardworking men and women who help dispose of our solid waste. For more information visit: <http://www.garbagemanday.org/>

By working together, we are making a difference! Monroe is one city, with one future.
