From: Mayor James E. "Jamie" Mayo

Happy Thanksgiving Monroe!

On behalf of my wife Angela and our family, and the entire City of Monroe, I want to take a moment to wish each one of you a very Happy Thanksgiving!

I pray that you and your loved ones have traveling grace. It doesn't how much time you get off from work, just make the most out of the time that you have. Enjoy spending quality time with your loved ones. Enjoy the holiday feast (in moderation). Make some lasting memories.

If you can, take a moment to do something for those who are less fortunate. It doesn't matter what you do. All that matters are that you do it out of love and concern for your fellow man.

I pray that God blesses you and yours to enjoy Thanksgiving and the entire holiday season.

Finally, I thank you for blessing me to serve as your Mayor. By working together, we are making a difference!
