

SUMMER ZOO CAMP 2018

LOUISIANA PURCHASE GARDENS & ZOO • MONROE, LOUISIANA

MISSION

Summer Camp is designed for children to enjoy the zoo, learn about animals, conservation, and preservation of our ecosystem. This experience will include animal encounters, activities, crafts, stories, games, zoo walks, and keeper talks all geared toward weekly themes.

ATTENDANCE/ABSENCE

Zoo Camp is for your child to enjoy, Monday through Friday, but, if your camper must be absent on a particular day, please leave a message at the office or at 318-329-3308 and include your camper's name. We cannot refund for days missed.

SPECIAL NEEDS

Zoo Camp strives to meet the special needs of every child who attends. In order for us to be able to offer your child an enjoyable experience, we ask that you notify us of any special needs your child may require, and do so prior to your child's first day. This may include information about allergies, accessibility concerns, behavioral, psychological, emotional, or physical conditions, or any special need that you deem appropriate for us to know. You may address this issue in your registration packet under Medical Information.

You may also want to include "hints" or "tips" for relating to your camper in this section. For example, their interests, things that they are most comfortable with or talking about, even topics that better relate to them.

We appreciate your cooperation in this matter and look forward to seeing YOU at the ZOO.
